CARDSTON SCHOOL DIVISION NO. 2 NEWS

A letter of appreciation was received from the Principal and Staff of the Cardston Junior High for the hard surfaced area adjacent to the school.

Trustee terms of office for Sub-divisions 5, 6, and 7 represented by John Schneyder, Dr. Steele Brewerton and Willard Brooks will be up for nomination on Wednesday, October 31st, 1973. Nominations will be received in the Divisional Office in Cardston between 10 A.M. and 12 noon on that day.

A committee was appointed to select a date and outline a program for the official opening of the New High School addition.

The Board's request for approval to begin construction of the Magrath Band Room Addition has been again tabled by the School Buildings Board. Government red tape has consistently hampered this project in spite of the Premier's announcement of September 17th. A letter has been sent to the Minister of Education pointing out the urgency of the project and requesting assistance in obtaining immediate approval to begin construction.

The Board granted permission for the Cardston High School Concert Band to attend Expo 74 in Spokane, Washington. It is expected the trip will be scheduled near the end of May, 1974. The invitation stated the Exposition Board had learned of the great success of the Band at Expo 67 in Montreal and requested the Band appear and perform in the International Festival of Entertainment.

Official enrollment figures for the 1973-74 school year show a further decline from the 1972-73 figures by nearly 86 pupils. This decline represents a loss of about \$50,000 in revenue on the present foundation formula. The Board will need to look carefully at its program and staffing policies in the near future.

Did you know that the first boy born in the town of Magrath was named Magrath Merrill and was given 10 acres of land east of where the present hospital stands for being the first boy. Given by Mr. C. A. Magrath. This and many more homestead, lease country and McIntyre stories are some of the treasures you will be able to relive if you have the pleasure of spending a few days with old timer Clyde Spencer as I did while in the Magrath Hospital. Many thanks also to Herb Coleman who related a lot of interesting stories of the past, also to Earl Wpcknitz whom I enjoyed visiting with.

Also a great thanks to the doctors, nurses and employees of the Magrath Hospital who treated me so well. Many thanks.
Don C. Althen.

Rather than print an Obituary in this week's Store News, we pay tribute to him with one of his best loved poems:

CROSSING THE BAR

Sunset and evening star,
And one clear call for me!
And may there be no moaning at the bar,
When I put out to sea,
But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless
Turns again home. deep,
Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;
For tho' from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.
